

## Membership Help

### How many children does my membership include?

Kids Club or higher level memberships include the admission of all children from the same household. Kids Club Grand includes all grandchildren, regardless of household. You will be asked to pay admission for any additional children who visit the museum with you.

### Can my babysitter bring my children without me?

Yes, if you have a Kids Club or higher level membership. Caregivers (who must be at least age 18) do not have to be named on your membership, but should present a membership card on each visit. The Kids Club Grand membership adult admission is limited to two grandparents only.

### Can I bring guests during members-only hours?

Yes, however additional guests that are not covered under your membership will be asked to pay admission. Your guests may also use the *Member Express* admission line with you.

### At which museums do I receive discounts with my Kids Club Plus membership?

A complete list of participating museums, including many local favorites, is available at [www.childrensmuseums.org](http://www.childrensmuseums.org)
