

Play Is... Workshop Worksheet

ACM InterActivity Conference – May 2018

Purpose: This worksheet is meant to be a tool to record your thoughts and insights about play that you learn from this workshop.

Institutional definition of play. If you don't have one, what might it be?

How might stakeholders influence your institution's definition of play? How can you get them involved?

Is play in your mission? Why or why not? Is it specifically stated?

How might you come to a clear definition of play?

How do you see play?

Types of play:	
Characteristics of play:	
Indicators of play:	
Measuring play:	
Benefits of play:	
What is play <i>not</i> ?	

What are the potential challenges/hesitations for using play?

Use your own words to describe:

Play	Learning

Play vs. Learning:

Similarities	Differences

Strategies for communicating the importance of play to others. Think of your stakeholders, including board, parents, donors, policymakers, etc.

What is your plan for incorporating play more fully into your organization?
