How to Register at the Institutional Rate (Block of 5 Registrations) for InterActivity 2021

We are looking forward to InterActivity 2021, May 13-28. You can register as many people as you would like from your institution—in blocks of five. For each group of five, you need to register everyone at the same time. Make sure you have the name, title, email (each person must have a different email) and phone number for each person before you start the process as you will be required to enter that information.

Click here to go to the registration site (https://ShowProEvent.com/INTA0521). To start, enter your company name and when it pops up, click This is Me.

To receive the Institutional member rate of $250 for a block of five full registrations, your membership dues must be up to date. If no results are found, contact Registration@ChildrensMuseums.org to check your membership status before continuing.

You will be taken to the Contact Page.
For the first person in your group, pick Member-Institutional Group Registration, Registrant 1 of 5. Enter the contact information for the first person. Click continue and answer the questions for the first person on the Additional information page. Click continue.

On the item page for the first person, you will pick Institutional Group Registrant 1 of 5 and hit continue on bottom of page. Add on the Emerging Museum Track if that if applicable. Click continue.
This brings you to the Review and Final Instructions, you will click the Add another Attendee Registration right above the order summary.

This will bring you back to the company page and you start the next person and pick Registrant 2 of 5. You will do this for all five of your registrants.

Once you fill the five slots, you will pay for those five and then if you want to register another Group of five, you will have to start a new registration. A confirmation will be sent to each person on the registration.
