ENERGY

Energy makes things happen. But...

Energy is sneaky. It hides and changes forms. It swirls overhead in sun and wind. It is stored deep underground in oil, coal and natural gas. Capturing the energy hidden around us can be an adventurous! Explore and search for energy jewels inside the rock wells. Bring them to the hopper and fuel something unforgettable!

ENERGIA

La energía hace que las cosas sucedan, pero...

La energía es misteriosa. Se esconde y cambia de formas.
Revela sobre nuestras cabezas en el sol y el viento. Se almacena bajo tierra como petróleo, carbón o gas natural. ¡Capturar la energía a nuestro alrededor puede ser una aventura! Explora y busca las joyas de energía dentro de las paredes de las rocas. Traídolas a la tolva (el embudo grande) para darle energía a algo inolvidable.
