“Wings of the City” comes to California.
Workshop of “Wings” from Maestro Jorge Marin
Workshop of “Wings” from Maestro Jorge Marin
Workshop of “Wings” from Maestro Jorge Marin

“La educación siempre te dará alas para que tu mente y espíritu te lleven a lugares inimaginables”
“Education will always give you wings so that your mind and spirit lead you to unimaginable places”

Toma estas alas para que tus sueños se cumplan. Dime cuáles son:
Take these wings to make your dreams come true. Tell me what they are:

Workshop of “Wings” from Maestro Jorge Marin

Education will always give you wings so that your mind and spirit lead you to unimaginable places.

Take these wings to make your dreams come true. Tell me what they are:

I wish I could fly and go to where fairies live!
Celebrating “Wings of the City” in Santa Ana, October 2017 to October 2018
Workshop of “Wings” at the Laguna Art Museum,
Challenges

• To increase the educational and cultural level of the Mexican Community in the United States of America.

• To disseminate the Mexican culture and traditions to other ethnic communities in Orange County.

• To elevate the cultural level in any society is a gradual process.
¡Muchas Gracias!
