ASSOCIATION OF CHILDREN'S MUSEUMS

INTERACTIVITY 2022

Play the Long Game

MAY 16-18, 2022

Our definition of a mistake:

There was really something lost: resources, time, goodwill, pride. The example should be a bit embarrassing. It should have helped our organizations or us, as professionals, grow in a significant way. Experimentation is, of course, an excellent way to develop new programming and operations, but that's different from a mistake in this sense.

MAY 16-18, 2022

**The greatest mistake you can
make in life is to be continually
fearing you will make one.**

Elbert Hubbard, American writer, publisher, artist & philosopher
