PLAY!: Greentrike Board members advise, set direction, mind fiduciary responsibilities, and support Staff. To do this work requires your time and sharing your skills.

_____ (int.) I understand attending Board meetings is essential. A minimum 70% attendance is expected of each member.

_____ (int.) I will actively serve on at least one Greentrike Board committee.

As a Board member you know your gifts and talents best. Please share the ways that you believe you can make the biggest impact for Greentrike: (such as cultivating new donors, connecting Greentrike with community groups, marketing and promoting Greentrike, etc.)
